RE: The Fiscal Year 2026 Budget

Dear Mr. Chair, Madam Vice-Chair, and Esteemed Councilors:

I am submitting for your consideration the Fiscal Year 2026 municipal budget for the City of Methuen. This is not just another budget – it marks the beginning of a reset. The days of pandemic-era stimulus are behind us. The sugar high is over. So is the illusion that we can continue to operate with a business-as-usual mindset. Rising costs and uncertain federal support are creating pressures we must now confront head-on.

This is a survival budget. It is balanced, but it does not move us forward. At best, we are maintaining our position. As mounting expenses outpace flat revenues, I cannot say I'm proud of this budget. It will not satisfy every priority or fulfill every request we hear from constituents, but it reflects the most responsible course available. It is lean, sober, and grounded in fiscal reality. Aside from contractual and statutory obligations, we are holding the line by level funding across the board with very few exceptions. We cannot keep repeating old habits and expect new outcomes.

Among our biggest cost drivers are employee benefits, regional school assessments, utilities, and contractual obligations – many of which are rising far faster than the 2.5% property tax levy limit under state law. Over 90% of city and school employees are in unionized roles. These are not easy levers to pull, and they account for the bulk of our financial strain.

Methuen is not alone – cities and towns across the Commonwealth are facing similar challenges. However, our fiscal standing sets us apart. S&P Global Ratings recently upgraded Methuen's bond rating from AA- to AA. While the federal government was downgraded, Methuen was recognized for sound fiscal management, long-term planning, and growing reserves. That upgrade reflects the discipline we've brought to our operations. But this is no time to pat ourselves on the back and put our feet up. That rating gives us room to maneuver – not room to coast.

On the city side, we've made reductions. I eliminated nearly all requested positions and level-funded departmental expenses unless a truly compelling case was made. The Economic Development Coordinator and Grant Writer – and new funding for early cancer detection screenings for our firefighters – are among the few exceptions. We are reorganizing the Department of Public Works by consolidating engineering services, funding two patrol officers and two firefighters using opioid settlement funds, and implementing a hiring and overtime freeze with narrow exceptions. Efficiency is no longer a goal – it must be the operating standard.

Meanwhile, we are doing all we can to protect public education. Contrary to some of the misinformation circulating on social media, this budget does not decimate school funding. My proposal increases the Methuen Public Schools allocation from \$104,724,180 in FY25 to \$110,536,689 in FY26. To help close the non-net school spending gap, I am recommending a one-time infusion of free cash. It's not a long-term fix, but it will stabilize our schools as we pursue deeper structural reform.

In this budget, we are laying the groundwork for some of those long-term solutions by investing in economic development and expanding our capacity to secure grants. After all, growing the commercial tax base and leveraging external funding are the most sustainable ways to ease the burden on residents.

Councilors, we may not agree on every line item. However, we must stay united around a shared goal: a sustainable future for Methuen.

And the hard work doesn't end here – it begins now. FY27 will be even more difficult. That's why we're beginning the next budget process as soon as this one concludes. It will be the earliest start to budget development in recent city history. We will explore new economic opportunities, cost-saving reforms, and alternatives in areas like employee health insurance. We will also launch a citywide strategic planning effort and move toward performance-based budgeting. We are done reacting. We must plan, adapt, and lead.

This budget reflects the core priorities of my administration: economic development, strong finances, public safety, and education. But above all, it reflects the urgency of this moment. Structural change is no longer aspirational – it is essential. The hard work can't be deferred any longer.

Thank you for your scrutiny, your seriousness, and your continued partnership in the work ahead.

Sincerely,

A handwritten signature in black ink, reading "D.P. Beauregard, Jr." in a cursive script.

David P. Beauregard, Jr.
Mayor

VISION/MISSION STATEMENT

City of Methuen Vision Statement

To provide ethical, efficient, and responsive local government, that serves all residents, businesses, and visitors, and to do so with professional and helpful staff that employ innovative ideas and sound leadership to enhance the quality of life for all in our community, ensure that all residents are safe and respected, and ensure that Methuen remains strong, vibrant, and sustainable for current and future generations.

City of Methuen Mission Statement

The City of Methuen will deliver quality community services and programs to residents, support a thriving business community, increasing innovation, invest in infrastructure, commit to sustainability, and ensure financial security through proper planning and responsible spending. The City of Methuen will maximize opportunities for social and economic development while focusing on community aspirations and environmental impact. The City's elected officials and employees will work diligently to create an environment with integrity, accountability, trust, respect, success in all endeavors, and an overall commitment to excellence.

The City of Methuen asks all residents, visitors, employees, and businesses to join us in realizing our Community Aspirations and abiding by our Inclusion and Respect Pledge.

Community Aspirations

As a community, we aspire to be:

- Welcoming, inclusive, and respectful
- Connected and supportive
- Safe and law-abiding
- Economically prosperous, with a stable and broad tax base
- Secure in diverse and quality housing and neighborhoods
- Environmentally responsible, with well-maintained natural assets
- Physically and mentally active and healthy
- Well-connected through properly maintained roadways and updated technology infrastructure
- Engaged in our community's success as citizens, neighbors, volunteers, leaders, and businesspeople

Inclusion and Respect Pledge

The City of Methuen strives to be a welcoming and inclusive place for all. We are committed to promoting respectful conduct, equitable service, and diversity in our community. We condemn discrimination by or against residents, visitors, workers, organizations, city employees or city businesses. In all that we do as a City government, we pledge to treat everyone fairly, respectfully, and without bias, regardless of their color, creed, religion, national origin, gender, marital status, familial status, immigration status, sexual orientation, age, income, or disability.

<i>% by Revenue Type</i>	
Tax Levy	53.5%
State Aid Cherry Sheet	36.2%
Estimated Local & Offset Receipt	9.1%
Available Funds/Other Financing Sources	1.1%

REVENUE ASSUMPTIONS:	
Levy	· Conservative new growth estimates. · Levy to the maximum allowable amount
State Aid	· FY26 state aid is based on the Governor's proposed budget
Local Receipts	· Assuming the approval to change the percentage of Meal tax deferred to the Stabilization Fund from 25% annually to 5% annually · Using \$1,840,637 of the City's "Free Cash" Reserve to balance the budget. This is not an annual revenue source and therefore the city must spend the next year determining ways to bring in additional revenue to offset this usage, otherwise we will have a compounded revenue problem moving forward to FY27 and beyond. · Investment income is a conservative reflection on prior three years of actuals
Enterprise Receipts	· Water and Sewer Rates were increased during FY25. This budget assumes the reflection of a full year of the impact of the rate increase, while still using considerable retained earnings to balance the budget. The city must consider a long term plan for a further increase in rates.
